

Sitting BULLS

Sure, the upholstered offerings at High Point Market are still predominately populated by the nattering nabobs of neutralism, but there are bright spots on the horizon this month, namely colorful chairs and such for dealers to buy and consumers to park their derrieres upon. Print or woven, pastel or primary, this market will be very bright on colorful sitting alternatives for those who want to live beyond the beige.—Warren Shoulberg

1 | Over the Top

H. Studio's new Moon Chair is a wildly shaped and colored design, here shown in Ultrasuede's Ambiance fabric in Wine and Roses. Girl in the moon optional. haziza.com

2 | Spring Fling

Clayton Marcus meets Paule Marrot in a marriage made in upholstered heaven. The famed French designer, known for her lively flower designs, will have new coverings available exclusively at this Rowe Furniture resource. rowefurniture.com

3 | Calliope of Color

Company C decks out its new Kasuri ottoman with these ikat-like fabrications where the color tells the story and the shape gives the structure. companyc.com
